Terronez Families,

Hello to all our T-wolf families! I am ecstatic to be named as your principal for the 23-24 school year. I have been in this district for 13 years as a tutor, coach, after school coordinator, teacher, vice principal, and now principal. I look forward to serving this community by improving each student's educational experience.

This year we are focusing on equitable instruction. This means that we are pushing ourselves as a team to give each student what they need to be successful. This mission is not one that is done alone and takes every staff member and every member of the community to make this mission become the reality of our school.

We look forward to continuing the great work that has already been done and striving to improve even more.

Remember T-wolf family, WE CAN AND WE WILL. PERIOD.

All the love,

Gilbert Villarreal
Principal
